

Internship Certificate

This is to certify that **Nita Bar** from IIT, Bhilai has successfully completed an internship at Jivandeep in the field of healthcare technology. This internship was conducted from 6th May 2024 to 29th June 2024.

During her internship, Nita exhibited exceptional dedication, enthusiasm, and a strong commitment to advancing healthcare technology. She played a crucial role in the backend development of the paired kidney matching application, focusing specifically on designing the workflow of the application and its features according to the requirements. Nita ensured the successful implementation of these designs, contributing significantly to the functionality and efficiency of the application.

Nita's willingness to learn, adapt, and work collaboratively with the team was truly commendable. She demonstrated a high level of professionalism, punctuality, and a strong work ethic. She consistently met project deadlines, provided valuable insights, and actively engaged in team discussions.

The impact of Nita's work extends beyond the production of code; her efforts have the potential to save lives. The team at Jivandeep deeply appreciated her contributions and gained valuable knowledge from her expertise. We look forward to the opportunity of collaborating with her again in the future.

We believe that Nita possesses the potential to make significant contributions to the fields of backend development and application design in healthcare technology. Given her skills and dedication, we are confident that she will excel in any field where her expertise is applied, including the healthcare industry.

We hereby present this certificate in recognition of her outstanding contribution and valuable participation in our organization.

We extend our heartfelt congratulations to Nita for successfully completing her internship and wish her all the best in her future endeavours. We are confident that she will continue to excel and create innovations for the betterment of society.
